NMPRC invites New Mexicans to comment on the potential sale of New Mexico Gas Co.

SANTA FE – The New Mexico Public Regulation Commission (NMPRC) invites New Mexicans to attend a public hearing and give input on the potential sale of New Mexico Gas Company (NMGC) to Bernhard Capital Partners and other applicants. This hearing is an opportunity for the public to share input on this acquisition with the Commission, which will ultimately decide if it's in the public interest. The Commission will accept comments in-person and virtually at the hearing.

WHEN: Tuesday, October 28, 2025, from 4-7 p.m.

WHAT: In October 2024, a joint application was submitted to the NMPRC by Emera Inc., NMGC, Saturn Utilities Holdco, and their affiliates, requesting approval of the sale of NMGC by Emera and the acquisition of the company by Saturn Holdco. If approved, Saturn Holdco will replace Emera Inc. as owner of NMGC. The NMPRC invites residents to attend a public hearing and provide input.

WHERE: NM811-Call Before You Dig Building, 1021 Eubank Blvd. NE, Albuquerque, NM 87112. The meeting will also be streamed live on the NMPRC's YouTube channel

HOW TO PROVIDE COMMENTS: To provide comments online or by phone, request Zoom login information by emailing public.comment@prc.nm.gov or calling 505-490-7910. In-person attendees do not need to sign up in advance. Comments will be limited to 3 minutes each, unless extended by the Commission. Written comments should be sent to prc.records@prc.nm.gov or Commission Records Management Bureau, P.O. Box 1269, Santa Fe, N.M. 87504, referencing case number 24-00266-UT.

The notice for this hearing is available [here](#). To learn more about this case, click [here](#) and search for case number 24-00266-UT. An evidentiary hearing on the proposed acquisition is scheduled for November 3-14, 2025.

*The **New Mexico Public Regulation Commission** (NMPRC) serves New Mexico by ensuring safe operations and reliable utility services at fair, just, and reasonable rates consistent with the State's legal, economic, environmental, and social policies.
