BEFORE THE NEW MEXICO PUBLIC REGULATION COMMISSION

IN THE MATTER OF MELODY RANCH WATER COMPANY LLC'S WATER SYSTEM BREAKDOWN AND DISRUPTION OF SERVICE	))))	**Docket No. 25-00054-UT**

[PROPOSED] ORDER GRANTING EXPEDITED PROCESS AND APPROVING FORM OF NOTICE

THIS MATTER comes before the New Mexico Public Regulation Commission ("Commission") upon Staff's October 30, 2026, Unopposed Motion to Commence and Expedite Transfer and Abandonment ("Motion"). Having taken and considered Staff's Motion, the Commission establishes the following expedited procedural schedule and issues the attached form of notice regarding the contemplated expedited process to consider and effectuate the abandonment of Meldoy Ranch Water Company's LLC's water system and transfer of the same to EMWT Regional Water Association ("EMWT").

BACKGROUND

Staff's Motion is brought pursuant to a significant and long-awaited development surrounded by a number of exigent concerns warranting an expedited adjudicatory process. On October 29, 2026, Melody Ranch and EMWT signed, executed, and delivered to Staff a transfer agreement to effectuate the long-term solution sought since the beginning of this crisis. Concurrently, the water hauling regime that has provided the Melody Ranch community with water pursuant to the Governor's October 28, 2025, Executive Order[1] will expire at the end of this calendar year. Further, EMWT has now determined that it needs to dig a new well to serve the Melody Ranch community (before later connecting the system to the City of Moriarty through a

[1]Executive Order 2025-373.

pipeline). EMWT must have ownership of the system before accessing and utilizing the $4 million appropriation provided by the Legislature during this year's legislative session.[2] Based on these circumstances, Staff and its state agency partners (as well as EMWT) believe that Commission approval is needed as early as practically possible.

To resolve this acquisition as soon as possible, Staff requests the Commission to expedite every step and phase of the adjudicatory process necessary to evaluate the subject transfer agreement pursuant to NMSA 1978, § 62-9-5 (governing abandonment) and NMSA 1978, §§ 62-6-12 and -13 (governing sales of utility assets) of the Public Utility Act ("PUA"). Staff provided a proposed expedited schedule and submits that this expedited process should include the following:

- The Commission itself should preside directly over the process, to avoid the time associated with a recommended decision, and move immediately to a final order.
- The Commission, by and through Staff, should be responsible to issue (and pay for) notice to Melody Ranch customers. Staff proposes to provide notice through email to all customers on Melody Ranch's distribution list as well as by USPS mail to those whose email is unavailable.
- If, as anticipated, there is no opposition to the transfer, Staff would file a motion to vacate the hearing the day following the submission of direct testimony and affidavits. Staff would also, within three days, draft and file a proposed form of final order.[3]

DISCUSSION

[2] *See* S.B. 240, 57th Leg., 2nd Sess. (N.M. 2026), available at https://www.nmlegis.gov/Sessions/26%20Regular/Amendments_In_Context/SB0240.pdf (p. 101).

[3] This order summarizes relevant procedural history. The full electronic record of this proceeding is available at https://e360.prc.nm.gov/portal/public/#/public/nm-prc/en/home.

Staff's Motion is well taken, as the exigent circumstances and concerns informing the Motion and otherwise poised to effect Meldoy Ranch residents warrant and justify expedited process in this matter. There is good cause to expedite this proceeding to the maximum extent possible, particularly given that Staff's Motion is unopposed. The Commission should act to facilitate a rapid but thorough evaluation of the merits of the transfer agreement.

FINDINGS AND CONCLUSIONS

The Commission therefore finds that expedited process to facilitate review and consideration of the subject transfer agreement pursuant to NMSA 1978, § 62-9-5 (governing abandonment) and NMSA 1978, Sections 62-6-12 and -13 (governing sales of utility assets) of the Public Utility Act ("PUA") is warranted and that an expedited procedural schedule and the attached form of notice should issue forthwith.

IT IS THEREFORE ORDERED:

A. The Commission itself shall preside directly over the adjudication of Staff's Motion.

B. The following expedited procedural schedule is hereby adopted to govern the subject abandonment and transfer proceedings in this matter:

I. Any person filing prepared testimony – or a prepared affidavit as permitted above – in accordance with 1.2.2.35(I) NMAC on behalf of a party shall attend the hearing and submit to examination under oath. Unless otherwise deemed necessary by the Commission, no person shall testify at the hearing unless that person has pre-filed testimony or a prepared affidavit as permitted above. All pre-filed testimonies and affidavits of a witness shall be moved into evidence when the witness is first presented. Oral testimony elicited by a party or Staff presenting a witness (except for appropriate redirect examination) shall consist solely of the authentication and

verification of each pre-filed testimony and identifications of any permitted corrections to that testimony. The party or Staff shall not elicit oral summaries of pre-filed testimony or other oral testimony.

J. Friendly cross-examination is prohibited. Friendly cross-examination is cross examination of a witness by a party who does not disagree with the witness's position on an issue.

K. With one limited exception, only counsel presenting the witness may make objections during cross-examination of that witness. The limited exception is that the Commission will entertain appropriately lodged objections to friendly cross-examination made by counsel not sponsoring the witness.

L. Each witness at the hearing, and each witness's attorney, shall have readily available to him or her at the hearing a copy of the pre-filed testimony or affidavit of the witness and any related exhibits.

M. The procedural dates and requirements set out in this order are subject to further order of the Commission.

P. This Order is effective when signed.

Q. In computing time in accordance with statute, regulation, or Commission order, the computation shall begin on the date that this Order is filed.
