**NOTICE OF SCHEDULED WORKSHOP**

On August 10, 2023, the Commission opened an inquiry into the factors that the Public Service Company of New Mexico (“PNM”) and El Paso Electric Company (“EPE”) should consider when determining whether to participate in a regional day-ahead market (“DAM”) or regional transmission organization (“RTO”)<sup>1</sup>. The Commission held the initial workshop on September 21, 2023. The subsequent workshop was held on January 25, 2024. The third workshop is set to occur **on May 17, 2023, at 12:30 pm.**

This workshop will include presentations by the California Independent System Operator (“CAISO”) and Southwest Power Pool (“SPP”) discussing an overview and an update of their respective DAMs. CAISO and SPP should include the following in their presentations:

- i. Overview of their respective DAM
- ii. Status of the DAM, tariff development, FERC approval, and applicable timeline
- iii. Current utility commitments to the DAM
- v. Proposed method(s) of greenhouse gas emission tracking of resources purchased in the DAM
- vi. Governance structure of the DAM
- vii. Costs of utility participation in the DAM

- viii. Interoperability with WRAP and state resource adequacy requirements
- ix. Concerns regarding impacts of the DAM on non-jurisdictional transmission customers
- x. Transparency of market data
- xi. Process by which changes to FERC-approved DAM tariffs occur
- xii. Process and costs to exit DAM participation

After the presentations, there will be time allotted for stakeholders to engage in the discussion in the form of a Question and Answer (“Q&A”) portion.

The Commission encourages PNM, EPE, SPS, stakeholders, rural electric cooperatives, and other interested parties to engage in the Q&A portion of the workshop. Any interested persons who wish to participate via Zoom in the Q&A portion of the discussion may sign up to do so by contacting Patrick Rodriguez via email at [public.comment@prc.nm.gov](mailto:public.comment@prc.nm.gov) or by phone at (505) 490-7910 no later than 5:00 p.m., May 16, 2024.

Regarding public comment and engagement, anyone may attend the workshop in person at the Bokum Building, 142 W. Palace Ave, Santa Fe, NM 87501, or via Zoom. In addition, the workshop will be accessible to the public via a live stream on YouTube and individuals wishing to provide public comment may do so in person, via the Zoom app, or by telephone.
