IN THE MATTER OF MELODY RANCH WATER COMPANY LLC’S WATER SYSTEM BREAKDOWN AND DISRUPTION OF SERVICE))))	Docket No. 25-00054-UT
---	------------------	-------------------------------

STATUS REPORT FOR THE WEEK OF FEBRUARY 9, 2026

The Utility Division Staff (“Staff”) of the New Mexico Public Regulation Commission (the “Commission”) provides this status report as directed by the December 9, 2025, Order Setting Status Conference Schedule and Report Deadlines. Staff respectfully submits the following:

- (1) As noted by Staff at the February 11, 2026, status conference, at this time the water hauling regime funded by the state remains fully operational with water being provided to Melody Ranch customers without interruption.
- (2) EMWT Regional Water Association continues its efforts to establish and realize a permanent solution, with cooperation and support from the New Mexico Environment Department (“NMED”). NMED also continues its support and monitoring of the utility. Staff is also apprised that at the last EMWT board meeting there was significant discussion regarding prospective funding and how EMWT may perhaps proceed provided the details of any funding are further developed in concert with the technical considerations towards achievement of a permanent solution. Staff continues to follow these developments and stands ready to assist as necessary.
- (3) Staff has no further updates to detail as of the time of filing this Status Report.

Dated this 13th day of February, 2026.

Respectfully submitted,

/s/ John Bogatko
