At any time during the Open Meeting the Commission may close the meeting to the public to discuss matters not subject to the New Mexico Open Meetings Act. The Commission may revise the order of the agenda items considered at this Open Meeting.

Notice is hereby given that the Commission may request that any party answer clarifying questions or provide an oral argument with respect to any matter on the agenda. If the Commission makes such a request, any party present at the meeting, either in person or by telephone, shall have an equal opportunity to respond to such questions or argument. In the event a party whose case is on the agenda chooses not to appear, the absence of that party shall not cause such discussion or argument to become ex-parte communications.

PUBLIC COMMENT

At its discretion, the Commission may allow public comment at open meetings. Anyone wishing to provide public comment may do so in person, via Zoom, or by telephone. All individuals wishing to comment, whether in person or virtually, must sign up by contacting Patrick Rodriguez at public.comment@prc.nm.gov or (505) 490-7910 by 5:00 pm the day before the meeting. When sending an email to sign up for public comment please identify the name of the commentor(s), the name of the organization they represent (if any), and the topic or issue on which they desire to comment, as well as whether the commentor wishes to appear in person or via zoom. A list of those who signed up for public comment will be given to the Chair prior to the meeting. The portion of the agenda allocated for public comment at any one open meeting shall be limited to a maximum of 45 minutes for all persons wishing to provide comment – 15 minutes for public officials, and 30 minutes for members of the general public. The order of speakers will be based on the order in which speakers sign up and at their discretion, the Commission Chair will attempt to give equal time to in person as well as virtual commenters. If a speaker is not present at the time he or she is called to provide comment, that speaker shall forfeit their opportunity to speak. Public comment by an individual or entity shall be limited to no more than two (2) minutes unless the Commission acts to extend the period. If the number of individuals on the sign-up sheet desiring to provide comment exceeds the allotted 30-minute period, the Chair may limit individual

remarks to a shorter time period. Individuals represented by or representing a common organization or association may be asked to select one individual to act as spokesperson to speak for the group. Individuals who sign up to comment, but either fail to do so or choose to speak for less than their allotted time, may not cede or yield their time to another speaker. Written comments of individuals who cannot be physically present may not be read aloud at the meeting but may be submitted to the Commission.

The subject matter of public comments shall be relevant to matters within the Commission's jurisdiction. Public comment will not be permitted on pending rulemaking proceedings before the Commission once the opportunity for public comment in those proceedings has closed. Public comment by parties to a proceeding or adjudication pending before the Commission will not be permitted where the comment concerns such proceeding. The Chair shall retain the right to stop any speaker who raises an issue that is not under the Commission's jurisdiction or is in violation of the restrictions above.

Public comment will be received without Commission comment or response. However, individual Commissioners may at their option seek clarification or additional information from speakers through the Chair. No speakers will be accommodated after the public comment portion of the agenda has closed. The Chair retains the right to exercise discretion in the implementation of this policy and may override the above rules in case of emergency or other unforeseen circumstances.

Speakers providing comment shall at all times conduct themselves in accordance with proper decorum. Profane or vulgar language or gestures will not be tolerated. Audience members shall not disrupt an open meeting by speaking without being recognized by the Commission and shall not incite others to do so. The Commission retains the right to remove disruptive attendees and individuals who fail to conduct themselves in accordance with these provisions from the Commission meeting.
